

Mt Lofty Devils Club Song

We're the devils from the mountain here we come (yee ha)
We're the devils from the mountain here we come (yee ha)
We will carry all before us
The hills they can't ignore us
We're the devils from the mountain here we come (yee ha)
Singing ki yi yippee yippee-i (yee ha) Singing ki yi yippee yippee-i
When the mountain devils meet ya
What a lesson they will teach ya
Ki yi yippee yippee-i (yee ha)

Please make sure it is sung off the oval and appropriate for the age group to be doing so.
