MT LOFTY V URAIDLA

Welcome to Arkaba Oval for Round 2 against Uraidla. Thanks to all our volunteers and club partners including today's match day partner and major sponsor, the Arkaba Hotel.

## Welcome from the President

Welcome all Devil supporters to Arkaba Oval for our first home game of 2017. It has been an interesting (and early) start to the year, which has thrown up its challenges, but we look forward to a fun and successful 2017 both on and off the field.

On the men's side of things we travelled to Uraidla last week for Round One and unfortunately went down after a promising start. Injuries had a big impact and we wish Phil Bates and Frank Clements all the best in their recovery. We continue to develop our youth and congratulate Wes Weeks, Nathan Nicholls and Cooper Wood on their first senior games. We also welcome Luke Andrews from Port Lincoln and look forward to him having a great career at the Devils.

Congratulations to three of our girls, Tess Maple, Ellen Maple and Lucy Northcott who played for Norwood in the inaugural Women's SANFL Grand Final and finished up victors. Well done to that trio and all our SANFL representatives.

As we have witnessed, interest and participation in women's football has some incredible growth and I am extremely proud of what we have achieved in the last 12 months. This year we will field A Grade, B Grade and Under 18 teams in the SAWFL. We encourage young girls to join our modified program in 2017 and hopefully become future AFL Women's stars.

In 2017, we are again fortunate to have the Arkaba Hotel as our major sponsor and we look forward to more successful and fun events at the Ark. I would like to thank Ian Deans, Sue Johnson, Tony Johnson and Haydn Cutting who have done a great job

with our sponsors and we thank all our current sponsors for 2017 and invite local businesses who are in a position to support to jump on board.

We have numerous events this year in our social calendar with more junior events being finalised in the coming weeks. To keep informed of Devil news, please visit our website or follow us on Facebook and for information specific on modifieds our new page dedicated to the up and coming Devils.

I look forward to seeing everyone up at the club after the match for presentation and watch the showdown on the big screen.

Yours sincerely
