A Grade

The senior squad has been working hard on the training track over the last couple of weeks and this has been rewarded with the first win of the season for our A Grade team against Lobethal.

Again there were periods of the game that we did not play our best but, unlike in previous games, we were able to stop the opposition from scoring quickly. It was again pleasing to see the young brigade step up with Wes Weeks in attack (4 goals), Mikey Telford in the midfield and Nick Thomson in defense being the best three players for us on the day.

Last game saw the Devils travel to Balhannah to take on an inconsistent Onkaparinga Valley. The day also marked the 250th senior game of club legend Brad Burch, who rose to the occasion playing his best game for the year and being named our best player on the day. Onkas opened up an early lead and it would have been easy for us to hang our heads and give in. Instead, we fought back in the second quarter

closing the margin significantly at half time, playing our best football for the year and with some supporters seeing how competitive we will be in future games. Again, injuries and a strong third quarter from AFL experienced opposition lead to a loss.

Finally, I would like to take the chance to thank the coaching and support staff who help me at training and on game day. Dave Bennett (assistant coach and runner), Paul Scamoni (assistant coach and team manager), Tom Morgan (Reserves coach), Ben Pohl (Reserves temporary-team manager) and Paul Clements (player liaison) all barely miss a training in assisting to see this young team reach their potential.

B Grade

The trials and tribulations that are reserve footy was evident over the last few games.

Our strong victory against Lobethal in front of the 2007 premierships players at reunion day was a great game in which, although the scoreboard showed it to be close, we remained in control throughout. It was pleasing to see some team structures we've been working on starting to take shape with winning results. Ever reliable Nick "Tank" Cullen lead by example and skipper Tom Zampa played a great team game. Ben Lawson again lead the way up forward and young up-and-

coming players Ben Naughton and James Telford gave us plenty of forward drive.

The next game was against a top of the table Onkas. Being short on numbers we started on the back foot but David "Turtle" Bennett and young Under 17s star Will Zampa filled some voids. It was a tough day in the office against an extremely strong reserves side with Onkas showing great player depth to easily take the victory.

We can however take plenty of positives from the game with Andrew Frolow coming back and playing into some great form alongside Ben Zampa and young star Bradley Riemelmoser. Again Harry Simmonds gave his best in the ruck all day and he continues to go from strength to strength playing in this new position.

Bring on Blackwood!

TOM MORGAN, B-GRADE COACH

SANFL U12s Team

The U12s are a new team formed to play in the SANFL organized competition on Sundays against clubs from all over Adelaide.

The team was created to retain those boys who traditionally leave the club to play College football on Saturday mornings and never return to the club. It has been a huge success with over half the team currently at colleges or intending to move to a college in the coming years.

There are two zones, north and south these are divided into three divisions in each zone. We are in the South zone. There are 24 clubs competing in the south zone and not knowing the strength of our team and the competition we elected to go into Div 2 along with seven other clubs. Each club can have a maximum of 28 players on it's list and we currently have 24 with only 22 allowed to play on gameday.

We are having great success with four wins, one draw and one loss and currently sit third on the ladder. The

boys are enjoying playing against clubs that they have never heard of and at ovals that they have never played on. They are embracing how even the competition is and are training hard twice a week.

Our next game on Sunday the 18th of June at midday is against Colonel Light Gardens who sit second on the ladder. This promises to be a huge test for us and I would encourage all Devils fans to come and watch an exciting, fast and attacking Devils team play and help us get over the line!

A special mention to Loch Rawlinson for making the State U12 squad, to Jack Steele Scott who played for the East Adelaide SAPSASA Team in Div 1, Jack Piasente who played for the Torrens River Team in Div 1. These two teams finished first and second overall in the recent carnival, with East

zone winning by one point when the two sides met. Also to Luke Roberts, Oliver Cullinan, Jakkrit Scharpf and Felix Farmer for representing the Hills SAPSASA team in Div 3. The SAPSASA carnival is a Year 7, U13 competition so it was a huge effort for all of these boys to be selected in their zones.

I would also like to recognize the enormous amount of work that our Team Manager Kerrie Rawlinson has put in, not only in the week to week running of our team but to the huge effort she has given to enter this team into the SANFL competition. Also a big thanks to all the other parents that are contributing each week on gameday and at training.

The Lofty Legends Group presents medals on the annual reunion day in junior grades to a player in each team, selected by team coaches, as being deserving of recognition for their efforts.

Kevin Hampton, past Heathfield Aldgate United player, introduced past players in each grade and the following players were recognised in last weekend's round:

Mini Colts – **Blake Cordes-Harvey** – presented by Heathfield Aldgate United and Mt Lofty past player, John Coventry,

Junior Colts – **Lachlan Reuter** – presented by HAU past player, Haydn O'Shaughnessy

Senior Colts – **Pierce Cordes-Harvey** – presented by current Mt Lofty player, Ben Gordon and past player Allan "Blue" Symonds

The Under 18 Women played on the Friday night and the medal was awarded to **Bailey Yap**. Bailey was presented with the medal at the reunion function by Stirling Past Player, Peter Robinson.

We congratulate Bailey, Blake, Lachlan and Pierce on their efforts.

Reunion Day and Lofty Legend Group Medals

The Lofty Legends Group would like to sincerely thank all past players, officials, members, sponsors and supporters for making the reunion at our last home match such a success.

Many people made big commitments to be here with travel from every State in Australia, together with country areas in South Australia. We would also like to thank the Club Committee and the many volunteers throughout the club who did so much to make sure that catering, refreshments and other arrangements were first class for the large crowd returning to the club, which we estimated to be around 200.

We would also like to make special mention of Jeff Pistola who, every year,

does an amazing promotion of the event through The Courier and to Leith Dawes who does such a great job as MC in addition to providing stands of balloons in Mt Lofty and its heritage club's colours.

Lastly, there is no doubt that the four wins, with the As bringing home the points, made for an outstanding day. A series of photos from the day appear on the club web site and we thank Kevin and Kathy Hampton for their excellent capture of the day's action.

Under 18s

Mt Lofty U18 women's team celebrated their first win against Blackwood on Saturday night.

In a great contest, played on a clear night in front of a good crowd, both sides demonstrated great football skills with some good passages of play.

The final score didn't quite reflect how close and hard fought the contest was on the night.

Final Score:

Mt Lofty 6.7 (43) def Blackwood 1.1 (7)

Best: Bailey Yap, Georgia Swan, Belle Longden, Allani Dawes, Layla Dorsey

Goals: Sarah Sheedy 2, Georgia Swan 2, Ella Crowhurst 1, Stephanie Schubert 1

Supa Bs

Tomorrow we travel to Nairne for what promises to be another exciting round of football for the women's B-Grade.

Every game has been an exciting one with players learning more and improving from week to week.

Last round we took on one of the ladder leaders Christies Beach who were an extremely well set-up, well-structured team. We were impressed with our ability to play four full quarters of footy and be within three goals at full time. A fantastic effort which just goes to show what we can achieve when we put our minds to it. Onwards an upwards for the Supa Bs!

All the women's teams have been working hard at training and tomorrow two of our three captains Sophie Nicholls and Kirra-Lee Thomas will lead the B-Grade out to Nairne for what we hope will be our third win of the season.

Good Luck to all the teams today, especially of course to the women's U18s playing tonight.

Give 'em hell Devs.
