MT LOFTY V URAIDLA

Welcome back to Arkaba Oval for the start of the second half of the season against Uraidla following which our women's A-Grade play Mt Barker and U18s take on Christies Beach. Thanks to all our volunteers and club partners including today's match day partner and sponsor, L J Hooker - Stirling.

## A Grade

The tale of the first half of the season has been a positive but frustrating one for the A grade team. We have been competitive, working really well as a team defensively and have taken it up to a couple of teams headed for the finals. This was the story last Saturday when we took on Blackwood at Arkaba Oval.

We played a solid brand of football in the first half with our on ballers getting their hands on the ball regularly, setting up plenty of forward entries. However, full forward Ben Gordon was often outnumbered and found it difficult to score. Our two first-quarter goals came from our behind the ball players with Angus Winwood kicking a long set shot and Mark Nielsen converting a set shot. The second quarter was much more free flowing and showcased our young talent in Luke Andrews, Wes Weeks and Nathan Nicholls all playing their roles perfectly and winning plenty of ball and at half time we were in with a chance of winning. Unfortunately, the

third quarter was not one to remember and we had a 10 goal deficit at the start of the last quarter. However, our effort and bold play in the last was exactly how we want to play for the rest of the year and we were able to get within three goals before giving up a late goal.

This week we take on Uraidla full of confidence in the style of play after that final quarter against the top team. We welcome back Brett Pistola from a four-year hiatus from the club for this game knowing we will see a lot more of him next year.

# B Grade

Last week was a tough ask facing the undefeated Blackwood. The boys have been working hard on the track and it was great to see the team sticking to our game plan.

We moved the ball as we planned and created plenty of run. We went down swinging and didn't let the game blow out as has happened in the past. Again relying on too few with Michael "Nipple" Stapleton and Nick "Tank" Cullen leading the way. Again great support from the younger players in Brad Riemelmoser, Sam Naughton, James Telford and Harry Simmonds.

Today we face 'the cabbage' – a top four side that we are chomping at the bit to tackle head on.

Massive shout out to Stuart Gould playing his 100th senior game for Mt Lofty. Those who know Gouldy know what the club means to him and his family. He is a well respected team mate and his never die attitude is looked up too.

Time for everyone to do their bit for the team and step up when their moment comes. MMF

TOM MORGAN, B-GRADE COACH

# Milestones

Stuart "Disco Stu" Gould will play his 100th senior game for Mt Lofty today.

It's been a long journey to the ton for Gouldy – who played his first senior game for the club way back in 2000 and made his A-grade debut for the Devils in 2001 as a Senior Colt.

In his roundabout journey to 100 senior MLFC matches Stuey spent 2002 in underage SANFL ranks and returned to Mt Lofty in 2003 where he became a regular in the A-grade. In 2005 he headed to Kalgoorlie where he played six seasons and returning to the Devils for the 2011 season before going west once again. In 2013 he was back and in 2014 he played in his maiden senior premiership for the club.

A fiercely determined competitor with pace and great skills, Stuart is the kind of team-mate everyone loves to have, but would hate to play against!

Congratulations Stu!

# Mt Lofty Auskick

Jon and I took on the role of coordinating Auskick this year and to be honest, we weren't sure what we had taken on. After eight weeks of Auskick, we now know that it's a lot of fun, a little bit of crazy and there's plenty of enthusiasm from the kids and parents.

With 60 children now registered we are one of the biggest programs in the hills. We are really grateful for the support from Gill May, Junior Coordinator and some wise words of wisdom from Leith Dawes who coordinated the program for the more years than we can imagine.

One of the nicest parts of the program is the support we receive each week from a very dedicated band of helpers – Wil Zampa, Ben Naughton and Will Jordans who have returned this year as co-coordinators. They assist with all aspects of the program including the initial setup before the program began. We have also had regular help from Harry Simmons, Sam Naughton, Chris McTaggart and Sam McTaggart.

Auskick is the first experience that many families will have of the Devils Football Program and it plays an enormous role in feeding registrations for our modified program, so it has

been great to see the professionalism shown by this group of young men.

Some of the fun that we have had at Auskick includes a Mothers Day 'Long Kick' competition (the kids had to teach their mums to kick first), a Port Power Clinic, a NAB day where staff from the local branch came down to cook a BBQ and run some raffles and we have a Crows meet and greet coming up. All in all, there's been lots going on and we have only two weeks left for this year's season.

We encourage all members of the club to become involved in the Auskick program next year. The kids love to see the senior players at the sessions, including the women's teams.

We have a great group of young boys and girls coming to Auskick and we would love to see them remain involved with the Devils in years to come.

# Women's A Grade

We welcome Mt Barker to Arkaba oval in which should be a great, close game like we've had in the past.

Last week we went down to Greenacres in a close game and even though we did not get the points we played some very good footy and it was a step in the right direction.

In the past couple of weeks, the girls have been working on structures and setups and this week we are looking to get some success from this! We are implementing the men's setups and game plans as much as possible to continue our "big team" mentality!

Great to see some fantastic football from Lucy Northcott, Elsie Dawes and Phoebe Rowberry who played their

strongest game of the season last week!

We welcome Rachel Parletta to the team for her first game of the season (the 15th first year player to debut in A Grade). Great work Rach!

As we move into the second half of the season, the first year girls are really finding their feet and our leaders keep stepping up. We are slowly getting girls back from injury and I know we are heading in the right direction as a squad for the business end of the season!

# Round Six: Under 18s

Our U18 girls celebrated another win against Blackwood (again) last Saturday night.

It was another great game, played on a clear night in front of our local crowd.

The girls worked hard all the night and the ball never really left our half.

We peppered the goals on numerous occasions and were very satisfied with the number of points scored!

It was great to see a few new girls playing and a couple of new names amongst our best players.

In the end it was a 27-point win to us, final score Mt Lofty 3.16 (34) defeating Blackwood 1.1 (7).

Ella Callaghan played her best game of the season so far and was named best on ground along with Anna Evans, Allani Dawes, Georgia Swan and Laycee Dawson. Our three major scoring shots came from Sarah Sheedy, Ella Callaghan, Anna Evans who each kicked one goal.

This week we play the very strong, unbeaten Christies Beach team which will be a good test for us.

# Supa Bs

Well the Women's Supa Bs are now half way through the season and it's just amazing to see how far they have progressed in their football!

We are currently sitting 5th on the ladder with three wins and four losses as we start the second half of the season. This means we now get to see how far we have come with our footy as we face most of the top teams in the next few weeks – most of whom we faced in our 'first ever' games of footy. We are also back to (almost) full strength with many girls returning from injury and, even more excitingly, more and more new faces still coming out to join us every week!

What is really exciting for Rick and I as coaches so far, is to see individual improvement in all the girls, the great TEAM effort as strive to achieve

new goals each and every week, and the high level of intensity that the girls bring to the park. The grit and determination is Mt Lofty Devils through and through.

Tomorrow we head to town to take for what should be a ripper game against Morphetville Park – just one above us on the ladder. Get out to watch and cheer the girls on!

Good Luck to all the teams today, especially, of course, to the women's A-Grade and U18s playing tonight. Also good luck Stuey Gould in your 100th game today. Give 'em Hell Devs.
